Dear Grant Applicant:

On behalf of the HAVlife™ Foundation, thank you for your interest in applying for funds for your organization. Started in memory of Hunter Aaron Vondran, HAVlife™ is a Not For Profit 501(C)(3) organization that was established to fund the resources students need to pursue their musical aspirations and athletic goals – just like Hunter did.

For the past seven years, HAVlife™ has worked to Prevent Lost Potential with the help of a volunteer Board of Directors and numerous committee and event volunteers. To date HAVlife™ has raised and granted more than \$650,000 to our local schools and organizations.

The Grant Application requests information that must be provided in order to be considered for funding. Prior funding does not assure that future grants will be also approved. We ask that you provide us with as much information about your organization and request with your application. Questions concerning the Grant Application Process may be submitted by e-mail to grants@havlife.org or by phone (563) 676-1830.

Once your request has been received it will be directed to the Grants Committee for consideration. Contact will be made to the applicant giving an overview of the process along with a timeline for consideration.

HAVlife™ seeks to allow all youth to experience life in the fullest—increasing exposure to positive community influences and enhancing the development of a positive and confident approach to citizenship.

HAVlife™ grants to other 501(c)3 organizations to support youth in our community. Our goal is to support youth ages 10 to 15 in activities related to arts, music and athletics. Thank you for your interest in a grant from HAVlife™.

Sincerely,

Mike Vondran
